Dear Ms. Samuel:

Thank you for your gift of cotton quilts donated on July 27, 2017.

Your support helps us to continue our mission *to encircle those facing advanced illness with unprecedented levels of comfort, compassion and expertise*. Because of you, we are able to continue caring for everyone facing the end of life, including the underserved and uninsured in our community.

For over three decades, more than 60,000 patients and family members have turned to The Denver Hospice for care and support during difficult times. The Denver Hospice has served as the region's leading hospice since 1978, and your support will ensure our compassionate care as we head into a future filled with challenges as our population ages.

Our people, our program and our facilities will meet these challenges. Thank you for being among those in our community who make a difference. I invite you to stay involved in our cause as an advocate for dignity at the end of life. Please call on our expertise at 303-321-2828 or visit our website www.thedenverhospice.org.

Sincerely,
